

Invitation to exhibit at "EV Fest 2014," at Pioneer Square on July 5th

Greetings,

My name is Chase Ballew, and I'm writing today on behalf of the Oregon Electric Vehicle Association to invite your company to be a sponsor/exhibitor at "*EV Fest 2014*," scheduled for July 5th at Pioneer Courthouse Square.

"*EV Fest*" (formerly EV Celebration Day) is the Oregon Electric Vehicle Association's annual event to raise public awareness around electric vehicles. The Square has over 26,000 visitors each day, and we are looking forward to introducing those visitors to environmentally friendly electric vehicles and other sustainable technologies, and are actively looking for exhibitors and sponsors interested in the same.

If this seems like something that is of interest to your company, then you will find attached a breakdown of sponsorship packages for exhibiting at EV Fest, along with a registration form which may be mailed or submitted electronically.

New this year is the option of OEVA Corporate Membership. Previously restricted to individuals, we now allow corporate entities to become dues-paying (non-voting) members of the OEVA. Corporate Members receive recognition throughout the year and are entitled to a discount on exhibition fees at OEVA-operated events, currently EV Fest and National Plug-In Day.

I hope you will consider joining us for this terrific outreach event. Should you have any questions please feel free to email me at: Ballew@pdx.edu However please note that as a volunteer-driven 501(c)(3) non-profit, it may take a few days to receive a response.

Thank you for your time and your support for a sustainable future.

-Chase Ballew
